Winterhawk Elk Hunt raffle, 2005

The **United Bowhunters of Connecticut** will be holding a raffle for a **two-man, eight-day archery drop camp elk hunt** in the Flat Tops Wilderness area of Colorado for this Fall (2005). The value of this hunt is \$1,700.00 per person, for a total value of \$3,400.00.

Tickets are priced at \$10.00, and can be purchased from UBC officers, directors, and area delegates. A list of these individuals and their contact phone numbers is published monthly in Woods & Waters USA. Tickets are now available, and the **winner will be drawn at the June 2005 UBC Board meeting**. This raffle is open to all who wish to participate and is not restricted to UBC members only.

Winterhawk Outfitters is a full-time professional outfitting service, since 1983, operating in the Flat Tops Wilderness area of Colorado. Winterhawk is a first-class operation, hunting in the Colorado high country in an area with the largest elk herd in the state.

Winterhawk will transport you via horseback (one to four hours of riding) to your drop camp location. The drop camp consists of wall tents, wood stove, LP hot-plate, lanterns, and other necessary camping equipment. Winterhawk will supply you with a two-way radio to remain in contact with their base camp for safety and for calling to have game packed out. Drop camp hunters supply their own food, cooking, and field dressing and quartering of game.

Archery licenses and airfare will be the responsibility of the winners. Archery elk licenses for this area are available over-the-counter. A hunter education certificate is required for a license purchase, unless you were born before January 1, 1949.

Remember – this is a hunt for two people. This could be the hunt of a lifetime for our winner and a partner. Do not delay in purchasing a chance for this hunting experience, as the drawing will be at our June UBC Board meeting. The meeting time and location is listed in Woods & Waters, and is open to all UBC members.

We will have follow-up emails and postings on the [CT Conference of the Bowsite.com](http://www.bowsite.com) listing specific contacts for the purchasing of tickets and more information. Two lucky people are going to be elk hunting in Colorado this fall!!

Winterhawk can be visited at their website: www.winterhawk.com. Check out this site, and see what a fantastic opportunity this is.
